

Your Doctor has asked you to collect a faecal (poo) specimen for Pathology testing.

*** Fresh is best!***

Please collect sample on the day you are visiting the Austin Collection Centre to provide us the sample.

Open the container with **brown** lid.

Use the scoop to place a small amount of faeces in the container provided. Close the lid tightly.

Write your name, date of birth and date and time of collection on the containers.

As soon as possible, take the container and your request form to an Austin Pathology Collection Centre.
